

Parks & Recreation Department

Bi-Weekly Report ~ June 8, 2020

Unfortunately, town buildings (including the Rec. Dept.) are closed or have limited access to the public usage until further notice. This will help to limit person-to-person contact / exposure. If you need to drop off any information, paperwork, uniforms, etc. you may do so, in the large black drop off bin located in front of the Parks & Recreation Department building.

We are still working and available via the following methods of contact:
