

Public Works Department

Weekly Reports August 12 & August 19, 2022

Due to the increased volume being brought to the transfer station to be disposed of in the dumpster, all loads that fill a 6-foot pickup truck bed or larger will have to be delivered by the resident directly to the Androscoggin Valley Regional Refuse Disposal District (AVRRDD). Please note that a permit needs to be issued by the Public Works Garage in advance of going to AVRRDD. Household garbage (kitchen waste) will continue to be accepted. If you have a large volume of items to be disposed of, it is a good idea to call ahead to speak with Lisa at 603-466-5025 to be sure that it can be accepted, or to have an alternate time scheduled to bring it in.
