**Fire and EMS**

Fire and EMS personnel continued the fall season with a normal call volume that included a few car accidents. Pictured below is a car that went off the road in Green's Grant with no injuries. Crews also responded to a Mutual Aid request for Jefferson Fire on a structure fire but upon arrival of JFD personnel the request was cancelled.

**Fire Chief/Emergency Management/Code Enforcement**

Work continues on building inspections in town and working with property owners to bring properties into compliance. I also worked with the Planning Board on various issues related to proposed changes to the Zoning Ordinances.

During Fire Prevention Week I visited the Ed Fenn School, the Salve Regina Academy, and the Gorham Community Learning Center to discuss fire safety with local children.
