Department Update
September 2022

Fire and EMS

Gorham Fire and EMS ushered in the fall season and stayed busy throughout the month of September. Fire Department members responded Mutual Aid to a structure fire in Berlin and assisted with fire attack. Crews also dealt with a riding lawn mower fire and an electrical short involving air conditioner wiring.

Serving the communities of Gorham, Randolph, and Shelburne

Training

In preparation for the arrival of our Swift Water Rescue gear, local departments attended a Swift Water Awareness training held in Gorham. Crews learned about the dangers of working in and around swift water and discussed options for further training to help keep members safe.

Emergency Management/Health Officer/Chief Duties

Short term rental inspections continue as we wrap up this year's round of permits. The inspections will be available as needed during the year for new properties, with all renewals due in June going forward. This project was started to help provide safe accommodations for renters in our town.
