

TOWN OF GORHAM
91-A RESPONSE POLICY

Per RSA 91-A, for any responses requiring the Town to produce hard copies, a charge of 25 cents (\$0.25) per page will be charged to the requester. For any page that requires redaction, the Town must print the page in order for the redaction to be made. A hard copy of the redacted page will then be produced for the requestor at a cost of 50 cents (\$0.50) per page. Prior to producing the final redacted copy (and all other hard copies), the Town will inform the requester of the amount due and payable to the Town by the requester in advance of the Town producing the copies.

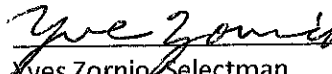

If the copies are requested in electronic format, they will be supplied electronically. However, for any page which requires redaction, a \$0.25 charge per page will be made for the printing of the page, the page will then be redacted, scanned, and provided.

This policy is effective on June 14th, 2022.
