

# USING YOUR SELF-TEST | COVID-19 |

1

Follow instructions very carefully.

2

Use the QR code below for more information about self-testing and how-to videos.

3

If your results are positive

Isolate yourself from others. As much as possible, stay in a specific room and away from other people and pets in your home.

Tell your close contacts that they may have been exposed to COVID-19.

4

Call your health care provider with any questions, including if you have worsening COVID-19 symptoms. You can contact
