

WELCOME TO OUR

Senior & Adult Program

we're so glad you're here!

EFFECTIVE FEBRUARY 2023

Non-resident fee changes

Starting this month if you live outside the Town of Gorham the senior program fees will increase slightly. This is NOT meant to discourage non-resident participation and our goal is to keep the fees affordable for everyone. Certainly, we understand this may be frustrating. The Parks and Recreation Facilities, Parks and programs are highly subsidized by the Town of Gorham property taxes, paid by those residing in the town limits. Those living outside of the town limits in the townships, pay property taxes for their respective township expenses, not Gorham expenses, which is why it makes sense to give residents a reduction of their fees for a program or event. This is currently standard for all other programs we offer such as youth sports. We hope you can understand that we are trying to be fair to all participants based upon property taxes paid and the fees charged for use of our many recreational facilities and programs.

(Shelburne, Randolph, Berlin, Milan, etc. effective February will all be considered non-resident)

Online registration available soon!

GORHAMNH.ORG TO REGISTER AND PAY ONLINE MARCH 2023

Starting in March, we will be able to offer online registration and payment for all senior and adult program events and trips, including senior fitness. Still want to stop in and see us? We will also be able to accept credit cards here at the Recreation Department as well.
