“It is possible, in light of the COVID-19 pandemic situation and the state of emergency declaration in NH, that our commissioners will be unable to attend our public meetings in person because they are concerned about getting sick or perhaps are already sick. In cases where the presiding officer declares an “emergency” and the requirement of a physically present quorum is waived, a meeting of a public body may be conducted with most or all members participating electronically. As chairman of the Commission, I, therefore, declare an emergency for the purpose of our Gorham Water and Sewer Commissioners meetings until the COVID-19 pandemic situation has subsided.”

Please submit any questions or public comments prior to 3:00 pm on Monday, April 17, 2023, to Jessica Jacques at jjacques@gorhamnh.org
