Dear Michelle,

I represent the McDonald's restaurant located at 214 Main Street in Gorham, New Hampshire. I am writing this letter in support of Northeast Snowmobile & ATV Rentals moving their primary operations to the former Burger King location of 197 Main Street. We fully support their plan wholeheartedly and are excited to have them located across the street from us.

Northeast Snowmobile & ATV Rentals have been excellent neighbors for many years, having been formerly located at 177 Main Street. Thriving from tremendous growth in the Gorham area recently ourselves, McDonald's understands that when a business provides a simple, easy experience for their customers – prosperity follows. Qualities such as ample parking, an efficient, smooth operation and plentiful inventory increase the desirability of that business.

Without question, moving to the former Burger King property would allow Northeast Snowmobile & ATV Rentals the ability to better serve their customers. More happy customers translate to future growth and this growth would benefit other nearby businesses as well as the whole downtown Gorham area.

In short, Northeast Snowmobile & ATV Rentals enhancing their services would be an asset to the entire community – McDonald's included!

Should you have any questions, please feel free to contact me at (603) 817-7577.

Sincerely,

A handwritten signature in black ink that reads "Jeremy".
