**Re: Polaris Adventures at Northeast Snowmobile & ATV Rentals (d/b/a  
Winter Fun, Inc.)**

Dear Chair Robitaille and Members of the Planning Board:

Please find enclosed a request to Building Inspector John Scarinza for an administrative decision regarding whether the proposed use of Polaris Adventures at Northeast Snowmobile & ATV Rentals (d/b/a Winter Fun, Inc.) ("Northeast") at the proposed location is permitted by the Gorham Zoning Ordinance. I respectfully request that the Planning Board refrain from further consideration of Northeast's site plan application until zoning compliance is established. Any required zoning approvals should precede site plan review.

Please do not hesitate to contact me with any questions.

Sincerely,

Jason Reimers
