

Public Works Department

Weekly Reports July 1st & July 8th, 2022

New signs posted on site and notice in the paper regarding:

Due to the increased volume being brought to the transfer station to be disposed of in the dumpster, all loads that fill a 6-foot pickup truck bed or larger will have to be delivered by the resident directly to the Androscoggin Valley Regional Refuse Disposal District (AVRRDD). Please note that a permit needs to be issued by the Public Works Garage in advance of going to AVRRDD. Household garbage (kitchen waste) will continue to be accepted. This policy will take effect as of Friday, March 27th. If you have a large volume of items to be disposed of, it is a good idea to call ahead to speak with Lisa at 603-466-5025 to be sure that it can be accepted, or to have an alternate time scheduled to bring it in.
