MINUTES: Water & Sewer Commission Meeting

DATE: 19 April 2021 TIME: 4:00 PM

PRESENT: Jeff Tennis, Lee Carroll, Ted Miller, Burke York, and Roger Goulet

- Reviewed meeting minutes of 5 April 2021 Water and Sewer Commission Meeting and signed same.
- Reviewed meeting minutes of 5 April 2021 nonpublic session of Water and Sewer Commission Meeting and signed same.
- Reviewed invoices and signed same.
- **Reviewed Supplemental Water & Sewer Commitment** of 19 April 2021 in the amount of \$22.62. Signed same.
- **Reviewed Water Capital Reserve payment** in the amount of \$4,801.77 for Well #2 generator repair.
- **Reviewed Water & Sewer Capital Reserve fund** accounts through March 2021. Signed same.
- **Discussed Colm Regan proposed home** on Promenade Street with Burke York. Jeff will do some cost estimate regarding pipe size and Commissioners will discuss whether proposed force main ownership will be acceptable to Department or if property owner will have to own and maintain it. Commissioners on further discussion agreed full force main ownership to Department's existing manhole should be property owner's responsibility for construction and maintenance in the future, even though under a Town Street, as no other customer will ever be served by the proposed force main. Materials, etc. would have to be to Department standards.
- **Discussed possible service line** relocation for Pike, et al, as desired by Drouin. Department can provide a new tap based on someone indicating size needed. Department to property line plus shut off existing line to be abandoned. More to come.
- **Discussed possible bike weekend** later this year. Commissioners indicate no parking on airport or adjacent roads due to well head protection area designation.
- **WWTF roofing issues.** Rodd Roofing will be providing proposal to correct present issues. More information to come on this.
- **Grant applications and project lists** submitted to North Country Council and USDA. Now we wait for responses. Also, application for new water meters and for energy conservation upgrades at WWTF are also being filed.
- **101A and 101B Main Street** discussed regarding water and sewer modifications that may be necessary. Property owner arranging for initial underground investigations for sewer line.
- **Ice Gulch** reservoir cleaned last week (13 & 14).
- There was no non-public session at this meeting.
- The next Commission Meeting is Monday, 5 May 2021 at 4:00 PM.
- Meeting adjourned at 5:30 PM.
